Subject: Request for Draft Letter of Credit and Business Entity Name, Deadline for Division
Receipt of Letter of Credit, Bonneville Quarries, Inc., Grouse Creek Mountain Mine,
M/003/031, Box Elder County, Utah

Dear Mr. Bown:

In recent discussion with Mr. Clark Irwin at Barnes Bank, he expressed his apologies for the delay in finalizing the issuance of the Letter of Credit in the amount of \$18,700.00. Mr. Irwin indicated you are obtaining the Letter of Credit in the name of Bonneville Quarries, Inc. Since the existing corporate surety and the Reclamation Contract identifies the entity name of Utah Building Stone Supply, then the Division is requesting that you clarify the entity liable for reclamation. Both entities, Utah Building Stone Supply (entity number 2325406-0151) and Bonneville Quarries, Inc. (entity number 4729237-0142) are in good standing with the Utah Division of Corporations; there is no clear indication of which company you want identified with this permit.

To ensure the letter of credit is issued in the correct company name, please provide this information to the Division immediately. Before Barnes Bank finalizes it, please have a letter of credit draft emailed to bethericksen@utah.gov to ensure it meets Division acceptance criteria. By June 15, 2006, the Division must receive an acceptable Letter of Credit issued by Barnes Bank.

Please contact me at (801) 538-5258 or Minerals Surety Coordinator, Beth Ericksen, (801) 538-5318 immediately with the requested information.

Sincerely,
